Board.

The meeting of the city council to

light should not be quite as lengthy as the last session from the fact that the estimates are not yet in shape to be considered. The commissioners have been putting in all their spare hours since the very beginning of the year in various departments, but have not yet completed their task.

As soon as they are ready, the mayor stated this morning that it is his intention to call the next meeting of the council about 10 o'clock in the forenoon, thus permitting a whole day session, if possible an evening meeting as well.

It is the intention of the mayor to hope to get the estimates passed by the council within two days from the time they are first presented. He has taken this year with a view to having every department's needs for the year figured down as close as possible to actual figures, and to the exclusion of all supplementary later in the season.

Last week the council practically cleared the slate and with no estimate to be considered, the only business should be handled with despatch.

there will not be much discussion over the appointment of commissioners as the plans will be well thought out and a decision will soon be reached. The general feeling being that Commissioner Harrison will be given the fifth commissionership, that of parks and markets.

Mayor McNamara informed the press this morning that as soon as the city gets away to a good start he hopes that it will not be necessary to hold meetings often than once in two weeks. This arrangement would be a relief to the city fathers, as the members of council, who are not paid for the time they put in on the business of the city.

Most of the important decisions will be handled by the committees and this will permit of the more speedy handling of the business to be done by the city code council on regular meeting dates.

Fourteen guests enjoyed the delicious menu, after which a number of other friends came in for bridge, and it was a late hour when the party bade adieu to the host and hostess, wishing Mrs. Bradburn very many happy returns of the delightful evening they had spent.

Reception.
Mr. V. P. Hunt, of the Highlands, was the hostess of a bright and enjoyable afternoon tea. The hours were from 2:30 o'clock until 6 o'clock. Mrs. Edgar Richardson poured tea, Miss Williams, Miss Buchart and Miss Helen Hunt assisted in the dining room. The cozy fire and warm rooms appealed to the goodly number of callers, who all returned an enjoyable afternoon. The Highlands are becoming quite a popular social centre.

Whist Drive.
The Daughters and Maids of England, south side, will give a whist drive on Wednesday, January 23, commencing at 8 p.m. in the Oddfellows' hall, White avenue West.

There will no doubt be a splendid turnout tonight at the McEwagh auditorium to greet the Calgary symphony orchestra.

Well, the conductor, should be given a magnificent round of applause for organizing such a splendid array of musicians in the province. The program is one which can be appreciated by all music lovers, and the solo violinists is said to be a most attractive artist.

AUTHORESS WILL LECTURE IN CITY ON EQUAL FRANCHISE
Under the auspices of the Edmonton Equal Franchise league, which was launched on December 12th last in an organization meeting held in the Blue Room tea room, there will be an address given next Sunday, January 13th, at 4:15 in the Presbyterian church, corner Third and Jasper, by Mrs. Nellie McHugh, of Winnipeg, Manitoba, on some topic connected with the general subject of the extension of franchise to women.

Well known to most Edmontonians as the authoress of "Sowing Seeds in Hungary" and other volumes devoted to western life, she is besides a platform speaker of unusual charm and ease of manner. A cordial invitation is extended to the public to be present on Sunday.

BERNHARDT'S NAME HAS BEEN ADDED TO ROLL OF FAME

New York, Jan. 12.—From Paris comes the news that at last the name of Sarah Bernhardt has been added to the roll of fame of the legends of drama. The claims have been put forward several times before, but the influence of a strong element in society prevented the French actors from obtaining the decoration.

MUSEUM ATTENDANT REFUSES ADMITTANCE TO ENGLAND'S QUEEN
London, Jan. 12.—Because she refused to give up her umbrella, the Queen of England was refused admittance to the Norwich castle museum yesterday. Queen Mary was accompanied by a purely private visit, no notification had been given. The attendant failing to recognize the queen, stubbornly refused to admit her with the umbrella, which she, with equal stubbornness refused to surrender.

The bishop intervened, but without effect, until he disclosed the identity of the royal visitor. Profuse apologies followed and the queen entered bearing her umbrella in triumph.

MERRY DEL VAL TO SUCCEED RAMPOLLA AS ARCHPRIEST
Rome, Jan. 12.—The pope has appointed Cardinal Merry Del Val archpriest of St. Peter's to succeed the late Cardinal Rampolla, according to official announcement made tonight. Daily Fashion Talks BY MAY MANTON

A SCARF AND MUFF

ONE of the most noteworthy features this season is the extremely handsome scarfs and muffs that are made of material fur trimmed.

This set is exceptionally beautiful. The scarf takes the most becoming lines and folds, the muff is an attractive shape and the materials are rich and well adapted for banding.

The scarf consists of one long piece lined and interfaced for comfort, and the muff is a second piece that is folded over in envelope shape. Both are so simple that they can be undertaken by the very amateur without hesitation.

The scarf is fashionable and unquestionably is a welcome but velvet is much used, quite new sets are made from tulle with fur trimming, and, not infrequently, one sees a quiver or pea de soirs to match the suit treated in this way. Fox and seal make exceedingly handsome bands but this is a season of a great many different skins and anything that is effective can be used with propriety.

Flick is a pronounced favorite, there is a suggestion that is used to imitate chinchilla and, for the younger contingent, moulton is liked. So long as the color is becoming and the trimming contrasts well with the material, success will be certain, for Mrs. Manton's designs are such that they allow a wide range of color and material, and opportunities for gratifying that.

For the scarf and muff will be required 4 1/2 yds. of material 21, 24 yds. 36, 44 or 52 in. wide, with 8 1/2 yds. of fur banding.

The May Manton pattern of the scarf and muff 7546 is cut in one size only. It will be mailed to any address by the Fashion Department of this paper, on receipt of ten cents.

PANTAGES BILL IS CERTAINLY FINE IN EVERY PARTICULAR

The bill at the Pantages theatre this week is better than a tonic. It is a sure cure for dyspepsia and certainly will drive away the blues. Any ailment that can be destroyed by the power of the mind will go after one has attended a performance.

Elliot and Mullen, "Two shades of burnt cork," present the most amusing feature, and receive the greatest appreciation. Their singing is good and their dancing is graceful as well as vigorous. The fair member (fair in color and sex) has a charm that only a handsome woman can dispense.

Learn, "The Girl in the Barred," does startling things with her memory for figures after she gets out of the parrot's skin, but this is not at all as delightful as her remarks while playing parrot and doing stunts as a "mini reader" or reading what she has learned. Her foreign accent is delightful.

Loose, "The man with the thousand voices," is mighty clever in imitating the sounds of various instruments from the piccolo to the cornet. He does his work so well that many times the audience thought he really was making use of an instrument.

MONARCH THEATRE PRESENTS ROMANTIC FILM "CHECKERS"

Once again the Monarch is offering a star feature starting Friday and Saturday of this week. The home of the Famous Players Film and those of the All Star Feature Corporation is without doubt presenting a list of attractions that a few years ago would never even have been dreamed of. Just imagine seeing the old favorites, Booth Harriet, Sir Henry Irving, Ellen Terry, Mamie, Modjeska, Salvini, Lotis, and many others in their favorite roles.

Today the motion picture camera, with its never-failing eye, is able to give to the present generation the greatest plays of the age with the greatest stars. An example of this may be mentioned the next attraction at the Monarch, "Checkers," with the creator of the leading role in the same part he played in the original stage production. Thomas W. Ross is the star and the play by Henry Blount, Jr., has always been a big draw for many of the best actors in the American stage, there can be no doubt as to the prominence of the offering.

Arthur Kent, who wrote the novel "Checkers" as well as the play, assisted in the film production so that with both Mr. Thomas and Mr. Blount producing the story and the original star, supported by a superb cast in the play, there is little room for criticism as to the worth of the offering.

Story of Play.
Edward Campbell, known as Checkers, works his way up from a messenger boy to a clerkship in a bank. Upon the death of his mother he gets into bad company, loses his position, and is without friends who can help him. Coaxed into a gambling house he loses his last dollar, and then is given a job as dealer. One evening there is a fight during which a man is killed. Checkers is suspected, but innocent. Fearful he determines to get away from the city. Meeting a race horse trainer, Push Miller, they make their way south to the track. Winning some money, they follow the horses to Hot Springs, Ark. Arthur Kent, a young man from Clarksville, Ark., gets very friendly with Checkers. Kendall goes off on a spree, and his sweetheart, Pearl Barlow, and her father come to bring him home. Arthur will go only if Checkers accompanies him. While on the train Checkers takes the opportunity, and goes to work in the general store of Arthur's father. Arthur breaks her engagement with Arthur, and Checkers falls in love with her. Pearl Barlow's father, wishing her to marry Arthur Kendall, tells her that Checkers is a thief, and tells him not to come back to Clarksville until he has made \$5,000 by honest means. Pearl Barlow, an old California gold piece as a love token.

Leaving Clarksville, Checkers is unable to secure any employment. He tries again and again. One day, broke, he drifts down to the track, hoping to meet some of his friends from whom he can borrow money. Pearl Barlow, her father, Arthur Kendall, and others from Clarksville are at the track that same hour named Remora, at odds of 100 to 1. Remora wins. Seeing Checkers, the father of Pearl, tears her away. Checkers follows them to Clarksville. Checkers is run started on the bank owned by Pearl's father. Checkers uses his ready wit in holding the crowd of gambling denizens, and finally saves the day by the deposit of the \$5,000 which he has won. At this, Pearl's father, who has been waiting for her to come home, approves the choice, and all are happy.

WAS SUBJECT TO SEVERE BRONCHITIS.
Doctors Only Give Temporary Relief.
Dr. Wood's Norway Pine Syrup CURED HIM.

Bronchitis is generally the result of a cold caused by exposure to wet and inclement weather, and is a very dangerous and distressing affection, especially if neglected. Neglected bronchitis is one of the most general causes of consumption, and it is enough to cause Dr. Wood's Norway Pine Syrup.

Mrs. C. G. Dring, Hamilton, Ont., writes: "My little boy has been subject to severe bronchitis ever since birth, and different doctors claimed to be only able to relieve it temporarily. A neighbor advised us to use Dr. Wood's Norway Pine Syrup, so I got a bottle, and after the third day noticed a decided change, so kept on with it, and a couple of bottles more, and enough to cure him. Now we always keep a bottle on hand, and give it to him as soon as we notice him coughing or sneezing. He never disappears as if by magic. We recommend it to all friends who find it as just good as I say."

Price, 25c and 50c a bottle. Be sure you get the genuine "Dr. Wood's" when you ask for it. Put up in glass bottles with rubber stoppers. The trade mark, and manufactured by The T. McIlhenny Co., Limited, Toronto, Ont.

DOMINIONS LOST A HARD-FOUGHT GAME TO CHINOOKS IN OVER-TIME---6-5

COLTS TAKE FIRST BASKETBALL GAME FROM THE LAWYERS

Played Four Men Against five and won easily.
WAS OPENING GAME OF SENIOR LEAGUE TEAMS
Half Time Score Was 15 to 8 and at full time 41 to 24.

In the opening game of the second series of the senior basketball league at the Y.M.C.A. last night the Law Students were handed a big surprise package, inasmuch as they played their five men against the Colts' four and not a good beating in the bargain. To be beaten by the Colts is not enough, as the old McNaught team can testify, but to let four of the Colts come out and trim a complete basketball "five" is too much for any one evening.
Apparently the Colts intend to keep up the good form they showed at the latter part of the first series of games, and if they do there is but little doubt they will make a strong bid in the championship race. The old Timers have been laid to rest in some of the games at last, and will have to go some to overcome this lead in some of the games at last.
The half time score in last night's game was 15 to 8 for the winners, and at full time 41 to 24. What they would have done to the "Students" with their full team on is hard to say. Following is a list of the players and the number of baskets scored by each:
Law Students—Wilson 4 and 3 fouls; McNaught, 4; Van Allen, 1; Casselman, 2; Logan.
Colts—Crazier, 8; Whitlaw, 8; Patterson, 7; Fudlich, 1 and 3 fouls.

WINNIPEG BEATEN TWICE LAST NIGHT IN SENIOR HOCKEY

Winnipeg, Man., Jan. 13.—Outside teams carried away victories from Winnipeg tonight in the two senior hockey fixtures here last night. In the independent series the Selkirk crew won a fast contest from the Canadiens by the score of 2 to 0. The teams entered the second period with no score, but the Selkirk team gained the verdict with two scores.
The Selkirk team, led by the speedy Kenner, seven handed the St. Boniface seven a terrible thrashing by the score of 16 to 2, in a Manitoba and Western Ontario Hockey Association game. The contest was a race after the first 20 minutes of play, the Thistles being with the locals.

IMPORTANT GAME TOMORROW NIGHT ESKIMOS-CENTRALS

Eskimos Should Win on Last Week's Form—Centrals Are Strong.

THREE-CORNERED TIE WILL RESULT IF ESKIMOS WIN

Game Should Be Fast on Account of Good Ice—Four Minute Car Service

Greater interest is being aroused in senior hockey circles as each game is played and the result determined. Edmonton has two splendid teams in the rink tonight. The Centrals have shown up to advance during the first games, while the Eskimos are making a strong bid for high honors, by displaying a great improvement in team and individual play. The game tomorrow night between the Eskimos and the Centrals will be an important fixture, inasmuch as the result of the game will decide whether or no the Eskimos will be on equal footing with the Dominions and the Chinooks. It is almost a foregone conclusion that the Centrals fans are hoping for a win for the home team and thus will the interest in the inter-city league pennant race be more keen.
The Centrals, although at the foot of the league at present are not to be underestimated. On the other hand, we may expect a very lively game when they meet our Eskimos tomorrow night. True, the Dominions did slip a 2 to 1 victory over them in Calgary, but the southern team were just beginning to shake up into anything, like a hockey team and may be counted upon to present an even more formidable line-up tomorrow night.
With the same team as were on the ice against the Chinooks last week, the Eskimos should win. In fact there is but little doubt that if they can produce another such game as that referred to, the team from the southern city will have but slim chances of taking the long end of the score. But beware! Who knows what kind of a jolt may be handed to them by the Eskimos? Has not the dope been upset in the last two games. For who of us really expects the Eskimos to double the score on the Chinooks last week as they did? And also did not a great many of us believe that the Dominions would win last night, even by a close score? So we say, Beware! But after all is said and done, we may well expect to see one of the best games here tomorrow night when the Eskimos take the Centrals into camp.

MANY INJURIES IN THE COAST HOCKEY GAMES THIS WINTER

Vancouver, B. C., Jan. 13.—The Pacific hockey league has been remarkably unfortunate so far this season in being crippled by injuries to players and every team in the league has suffered in this respect. Now Westminster is being particularly unfortunate. With Ernie Johnson still recovering from a cut foot and Charlie Tolin still on the hospital list with a sliced ankle the team is further weakened by the retirement of Ed Outman, who sustained a broken toe in the game against Vancouver last Friday night. Frank Patrick stepped on Outman's foot in attempting to hurdle and the little toe was fractured. Outman may be out of the game for six weeks.
Under the circumstances it is just possible there may be some slacking hockey on the coast this winter unless the clubs are able to secure further players. Westminster may be able to send only six players on the ice tomorrow at Victoria for the Royals have only one extra player with a hospital list of two at present.

EDMONTON TEAM HAS BEEN CHOSEN AND SHOULD WIN
Preliminary Game Will Be Staged—Extensive Program Assured

A great deal of interest in the city at present is centered around the coming basketball game between Edmonton and Moose Jaw on the 14th. This game will no doubt be the best that will be seen here this season, and should be a hummer. The Moose Jaw team have on their line-up three old Toronto players, one of whom was on the Canadian championship team three years ago. His name is Art Swanson, and no doubt many fans remember him to have been another strong point in favor of the Moose Jaw team is the fact that they have in Jimmie McLeod, a man who a few years ago, and in fact yet is one of the fastest basketball players in the Dominion. While McLeod is not playing on the team, being the physical director of the Moose Jaw "V", he is the manager and coach of the "five", and we take it for granted that he has propounded all the time ins and outs of the game to his players.
Also take it from us that the local team that will stack up against them will not be so slow either. In fact, the fastest "five" that can be gotten together will represent Edmonton on the 14th. The probable line-up of the local team is something like this: Centre, Crazier; guards, Hammond and Clarke; forwards, Stevens and McKnight. The plan of the reserved seats is now ready at the "Y" and tickets may be secured any time. There is bound to be insufficient seating accommodation for this game, so it will be well to secure your reservations at once. There are also a large number of rush seats. A preliminary game will be staged by the Colts and Varsity and this alone will be well worth seeing.

DOMINIONS LOSE THEIR FIRST GAME CALGARY CHINOOKS

Extra Time Was Needed to Decide the Winning Team.

SCORE AT HALF TIME 3-0 WAS 5 ALL AT FULL TIME

Three-Cornered Tie May Result, if Eskimos Win Wednesday.

In the inter-city hockey league things seem to be shaping themselves to form a three-cornered tie. It will be decided tomorrow night when the Eskimos hook up with the local seven are fortunate enough to win, and there is a little doubt as to whether they will, then three teams in the inter-city league will be tied for first place, each having two wins and one loss to their credit. As predicted, last night's game turned out to be a very close contest, inasmuch as overtime was needed to decide the winner.
With the score at half-time standing 3 to 0 against them, the Dominions injected a lot of "zip" into their work and managed to tie the score at full time 3 all. This necessitated the playing off of the tie, with the result that Art Lowes notched the winning goal after two minutes of the extra play.
A fair sized crowd witnessed the game, although not nearly so large a crowd as witnessed the games in Edmonton. Calgary fans are undoubtedly pleased with the result, as it was their only hope of having a team in the league race. The following despatch from the southern city was received last night.
Scotty McLeod made his first appearance in a game this season, but received an injury after having played about twenty minutes and was replaced by Lloyd-Cook. The Dominions fought through with their usual rally in the first half. This has been typical of the Dominions in all their games this season. It is a splendid asset for any team to have, one last desperate spurt in the last few minutes of the game as witness the games in Edmonton to win, and if they show the form they displayed last week they will be little doubt of the result. Following is the lineup and summary of last night's game:—

A faltered crowd witnessed the game through one nearly as large crowd as witness the games in Indianapolis. Chalky fans are undoubtedly pleased with the result, as it was the only hope of having a team in the league race. The following defeated the southern city was recorded last night.

Scotty McLeod made his first appearance in the game. He had just received an injury after having played about twenty minutes and was replaced by Right wing. The game came through with their usually rally in the first half. This has been typical of the Chinooks during the season of this season. It is a splendid asset for any team to have; one last desperate rally to win the outcome of the game. Even this, however, did not have the desired result last night. A Chinook goal was scored in the second game tomorrow night. It's up to the Estimates to win, and if they show the Chinooks that they are not to be trifled with will be little doubt of the result. Following is the lineup and summary of the game.

Chinooks	Goal	Dominions
Crooks	Point	May
Maluish	Stanley
Bishop	McTavern
McGraw	Bo. cz	Leo Cook
McQuarrie	Centre	McLeod
